

We are pleased to offer you a new service—the **Direct Payment Plan**. Now you can have your payment made automatically from your checking or savings account. And, you won't have to change your present banking relationship to take advantage of this service.

The **Direct Payment Plan** will help you in several ways:

- It saves time – fewer checks to write.
- Helps meet your commitment in a convenient and timely manner – even if you're on vacation or out of town.
- No lost or misplaced statements, your payment is always on time—it helps maintain good credit.
- It saves postage.
- It's easy to sign up for, easy to cancel.
- No late charges.

Here's how the **Direct Payment Plan** works:

You authorize regularly scheduled payments to be made from your checking or savings account. Then, just sit back and relax. Your payments will be made automatically on the specified day. And proof of payment will appear on your statement. The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization.

**Please note the amount of your payment will change depending on the amount of your utility statement.
